

6 April 2021

Youth Men's and Women's World Boxing Championship

Youth Men's and Women's World Boxing Championship - this unique international event organized for the first time in Poland, will soon take place in Kielce. The Self-government of the Świętokrzyskie Voivodeship, supporting the Championship's organization, at the same time, would like to promote nature, tourism and culture values of the region.

The event will be held in Kielce from 10-24 April 2021 r. The Championship will be played at "Hala Legionów" sport facility, with participation of approx. 600 competitors from over than 60 countries. The representatives of International Boxing Association (AIBA), the representatives of associations of the countries participating in the Championship will be also present, as well as the coaching staff and journalists.

It is historical event for Polish boxing, as the event classified as world championship in that sport has not happened before in Poland. Due to the coronavirus pandemic restrictions, the contest will be held without spectators. The boxing rivalry can be followed through the Internet and TV stations.
